Tuesday, November 24th Last Day for Plastic Bag Collection

Please help with our final push to collect plastic bags for recycling. The last day to turn in bags will be on Tuesday, November 24th. Ask your neighbors, friends, relatives for their plastic bags! Again, a great big thank you to Yvonne Foley who has collected our bags on a daily basis and taken them to the recycling center. We appreciate her work!

Remember our Scrip Program for your Holiday Shopping

Thank you to all of our families who are using our Scrip Program. If you are not using our Scrip Program, please consider doing so for your holiday shopping. Bloomer earns a percentage from the purchase of the Scrip gift cards. We **will not** order next week due to the short week. We **will** order November 30, December 7th and December 14th and then not again until January 4th.

Appropriate Dress for Cold Weather

Students will go outside for recess throughout the winter months unless the temperature or wind-chill is zero or below. Please make sure that your child is dressed appropriately. They need to have a coat, hat, and mittens/gloves as the weather necessitates. When there is snow outside students will have to remain on the plat unless they have boots and snow pants.

Excused Recess

Students may be excused from outdoor recess for health reasons for up to 3 days with a parent note. If they are to be excused for more than 3 days, then a doctor's note will be necessary. This also applies to on-going health concerns. (3 days this week, 2 days next week, etc.)

**We wish all of our Bloomer families
a very Happy Thanksgiving**
